

## LOGICAL FRAMEWORK

| <b>Name of the Project:</b>  |  |  |  |  |
|------------------------------|--|--|--|--|
|                              | Intervention logic   | Objectively verifiable indicators of achievement   | Sources and means of verification                          | Assumptions  |
| <b>Overall Objectives</b>    | To support communities to implement socio-economic development projects aimed at reducing poverty and improving governance in Kenya (This is the Broader Objective of the CDI Programme) |  |  |  |
| <b>Specific Objective</b>    | <i>What specific objective is the Project intended to achieve to contribute to the overall objectives? (List 1 only)</i>   | <i>Give a maximum of 2 indicators that show that the objective of the project has been achieved?</i> |  | <i>Which factors outside the Beneficiary's responsibility are necessary to achieve that objective?</i> |
| <b>Specific Objective 1:</b> |  |  |  |  |
| <b>Expected Outputs</b>      | <i>The outputs are what the project will accomplish (list a maximum of 3 outputs)</i>  | <i>Give one indicator for each output to measure if the Project achieves the expected results?</i>   | <i>What is the source of information for the indicator</i> | <i>What conditions must be met to obtain the expected results on schedule?</i>                         |
| <b>Output 1</b>              |  |  |  |  |
| <b>Output 2</b>              |  |  |  |  |
| <b>Output 3</b>              |  |  |  |  |

|                   | <b>Intervention logic</b>  | <b>Objectively verifiable indicators of achievement</b>  | <b>Sources and means of verification</b>   | <b>Assumptions</b>  |
|-------------------|--|--|--|---|
| <b>Activities</b> | <i>What are the key activities to be carried out and in what sequence in order to produce the expected results? (list a maximum of 6 activities)</i> | <i><b>Means:</b> What are the means required to implement the activities (staff, equipment, training etc). <b>Cost:</b> Also indicate the cost for each project.</i> | <i>What is /are the sources of information about progress of the activities.</i> | <i>What pre-conditions are required before the Project starts</i> |
| <b>Activity 1</b> |  |  |  |   |
| <b>Activity 2</b> |  |  |  |   |
| <b>Activity 3</b> |  |  |  |   |
| <b>Activity 4</b> |  |  |  |   |
| <b>Activity 5</b> |  |  |  |   |
| <b>Activity 6</b> |  |  |  |   |
